BRIDGE 47 MOOC “Introduction to Global Citizenship Education”

All training materials will be available exclusively online: you can enjoy more flexibility in deciding when to engage in the learning activities, but you also carry the responsibility for your own learning.

Learning Objectives

Introduction to Global Citizenship Education (GCE) is a course presenting the basic concepts and principles and typologies of GCE.

The course helps to understand what GCE is, how it works, what is its potential and some of its possible applications. In addition the course presents the work developed by the three BRIDGE 47 Knowledge Exchange Partnerships.

At the end of the course you will be able to

- understand the conceptual construction and objectives of GCE.
- recognise the different existing approaches to GCE.
- know more about possible concrete applications of GCE.
- know about the experience developed by the three BRIDGE 47 Knowledge Exchange Partnerships.

Functioning of the Platform

Every step of the course (from presentation of the contents to evaluation) will take place exclusively on the e-learning platform.

At every step, specific information and directions will be available. For any inquiry or doubts about the functioning of the platform or the course, please do not hesitate to contact the course support team: elarning@cci.tn.it

Once the PARTICIPANTS'BACKGROUND INFORMATION questionnaire and SELF EVALUATION QUIZ will be completed, it will be possible to access the course material.

In every module you will find different resources:

- Watch the **videolessons**: they are introduction to the different topics with some examples.
- Complete the videolessons and go in depth with the **slides and suggested readings**.
- Check your learning and reflect upon it at the end of the module with the **self evaluation and reflection activity**.

Subsequent modules will become available only once all the activities of the previous have been completed.

Once all 6 modules are completed, it will be possible to access to the **FINAL COURSE TEST** which will help you to self-asses the work done. Once the **SATISFACTION SURVEY** is also completed, you will be able to obtain the **ATTENDANCE CERTIFICATE** of the course.
